## FLASH FLOOD RUINS HOMES IN OHIO CITY

No Casualties Reported as  
Water Causes \$500,000  
Damage.

By The Associated Press  
LANCASTER, O., July 22.—A  
flash flood in the west side of  
this central Ohio city early today  
menaced some 2,000 homes and  
caused damage estimated tenta-  
tively at approximately \$500,000.  
No casualties were reported.

Scores of families left their  
homes by boat as water over-  
flowed the banks of Huns Run  
creek, which empties into the  
Hocking river.

The flash flood hit at 1 a. m.  
after heavy rains. Some 500  
homes still were isolated.

Kenneth Kerr, Red Cross dis-  
aster chairman in this city, of  
20,000 estimated the damage  
tentatively. This included dam-  
age to industrial and residential  
buildings, furniture, store goods  
and automobiles.

One lumber company was par-  
tially washed out and a building  
supply concern damaged. Two  
passenger cars were washed  
from a bridge and floated to  
a new position a half mile dis-  
tant.

The Red Cross assisted dis-  
placed families with emergency  
food and shelter.

About 100 automobiles were  
covered by water between seven  
and eight feet deep in some  
places. One car was washed from  
its parking place into a building  
supply company's yard and into  
a fence.

Awakened by Flood  
The C and O railroad said  
several sections of track were  
washed out. U. S. highway 22 was  
blocked when a cement bridge  
was destroyed by the high water.

Mrs. Albert Sherman, who  
lives with her husband and  
daughter in a three and one-half  
room, one-story house, told of  
being awakened by the flood.

"I awoke when I felt the house  
shaking," Mrs. Sherman said.  
"I opened the front door and  
there was water beating against  
the outside. Neighbors rescued  
the three."

Five small bridges in outlying  
sections of the city were reported  
blocked by high water, which  
also shut off route 33.

Other Points Deluged  
Washington county near Mari-  
etta also was struck by rain of  
near cloudburst proportions soon  
after midnight. A bridge south of  
Newport was washed away,  
blocking traffic on U. S. route 7  
and alternate 50 and the rain  
caused a landslide temporarily  
blocking traffic near Lowell on  
state route 7.

Tons of dirt removed from  
route 77 early today by highway  
workers permitted one-way traf-  
fic.

Damage to farm crops was esti-  
mated as climbing into thousands  
of dollars as the rainfall totaled  
about four inches.

## PROSPECT LIBRARY BEQUEST IS MADE

Mrs. Clara B. Dix Leaves  
Property in Will.

The Marion Public Library  
association has been willed two  
business properties at 118-120  
North Main street in Prospect by  
terms of the will of the late Mrs.  
Clara B. Dix, former Prospect  
postmistress and widow of the  
late Fred Keller Dix, once editor  
and publisher of the Prospect.  
Monitor the properties and their  
income through rent go to the  
Marion Public Library association.  
The income is to be used to estab-  
lish library facilities for the exclu-  
sive benefit of the residents of Pros-  
pect and vicinity. These facilities  
shall bear the name Fred Keller  
Dix Memorial under terms of  
the will as filed for probate here  
by J. W. Jacoby, attorney for the  
Dix estate. Properties named in  
the bequest house the Prospect  
porch and a store.

A room is now rented by the  
Marion Public Library association  
on North Main street in Prospect  
where library services are provided  
for the people of that district.

Under the provisions of the will,  
Thomas E. Truman, Jr., Prospect,  
brother-in-law of Mrs. Dix and  
co-executor with Grace Davidson  
in directing provisions of the will,  
shall have first choice of volume  
left in Mrs. Dix's large personal  
library. The remainder to be  
used in the stocking of the Fred  
Keller Dix Memorial, where book-  
cases holding the personal collec-  
tion will also be installed.

Total value of Mrs. Dix's estate  
was set at \$40,818.02 by Mr.  
Jacoby. The Dix will was admit-  
ted for probate last week, court  
attaches reported today.

## 5,000 See 'Waldo' Youth Capture Soap Box Derby

By SCOTT McMURRAY

A crowd estimated at more than 5,000 saw Jack Shaf at 14 of  
Waldo win the class A title and the second annual Marion soap box  
derby last night. Runner-up and Class B champion is Paul Rin-  
nert, 12, of 306 Summit street.

Shoaf, a ninth grade pupil at Waldo school and son of Mr.  
and Mrs. Gail Shoaf, also tied with Bernard Schlecht of Marion  
brother of last year's winner Lowell Schlecht, for the course record  
running time of 30 seconds.

Rinnert, 12 son of Mr. and Mrs. John L. Rinnert of 306 Sum-  
mit street an eighth grade pupil at Vernon school took second hon-  
ors in the derby by winning the Class B event. Both Shoaf and

Rinnert were awarded bicycles as  
first prizes. They will compete  
in the state championship soap-  
box derby at Columbus. Rin-  
nert's winning time was 30 and  
4 5/8 seconds.

Runner up in the Class A  
competition was also a Waldo  
boy, Harry Cellar, 14, son of Mr.  
and Mrs. John Cellar of Waldo  
and a seventh grade pupil at  
Waldo school. His best time for  
the course was 31 2 5/8 seconds.

Class B Runner-up  
H. Richard Peak, 12 son of  
Mr. and Mrs. H. L. Peak of 203  
Reed avenue seventh grade stu-  
dent at Forest Lawn school was

runner-up in Class B competi-  
tion. His best time for the course  
was 31 2 5/8 seconds. Each runner-  
up was presented with a large  
trophy.

Surging crowds lined South  
Main street from Church street  
to far south of the finish line at  
Columbia street. The entire day-  
light shift of city police were re-  
quired to keep the track cleared  
as interest in the events mounted  
with each succeeding heat. Heavy  
hopes and snow fences strung on  
both sides of the street the en-  
tire length of the course he ped-  
dler keep the runway clear for  
the racers.

As giant Army searchlights  
lighted the race course and gay  
red and yellow pennants swung  
in long rows the width of the  
street added color to the scene.

Windows and roof tops pro-  
vided vantage points for many  
spectators.

Interest mounted to the fever  
pitch as the finals of each class  
of racers drew near. When the  
final heat for the county title  
was run between Shoaf and Rin-  
nert the racers progress down  
the raceway could have been  
traced by a blind man by the  
cheers of the crowd as the racers  
neared the finish line.

Heat Winners  
Winners of the eight individual  
heats in Class A and their run-  
ning times were as follows: first  
heat, Charles Thompson, 14, 325  
Olney avenue 31 seconds, second  
heat, Leonard Schlecht, 13, 416  
West Columbia street, 30 seconds,  
third heat, Eugene Rorick, 13,  
217 1/2 North Main street, 32 1/5  
seconds, fourth heat, Jack Shoaf,  
14, Waldo, 30 3/8 seconds, fifth  
heat, Harry Cellar, 14 Waldo, 32  
seconds, sixth heat, Dick Cramer,  
13, 240 Lincoln avenue 32 3/5  
seconds, seventh heat, David  
Down, 13, 313 Windsor street,  
32 2/5 seconds, eighth heat, Paul  
R. Kincaid, 13, 755 Bellefontaine  
avenue 32 seconds.

The winner of each heat in  
Class A was awarded a football  
while second place received a  
softball and third place winners  
received a flashlight. Class A  
competition is limited to boys 13  
to 15 years of age.

Heat winners in the Class B  
competition, boys 11 and 12 years  
of age were as follows: first heat,  
H. Richard Peak, 12, 203 Reed  
avenue, 31 2 5/8 seconds, second  
heat, Glen Craft, 12, 806 Belle-  
fontaine avenue 32 seconds,  
third heat, Bob Unland, 12 146  
Dix avenue, 32 4/5 seconds,  
fourth heat, Gene Allan Riser,  
12, 645 Indiana avenue 32 4/5  
seconds, fifth heat, Paul Rinnert,  
12, 306 Summit street 31 seconds,  
sixth heat, Ted Watt, 12, 120  
Union street, 32 3/5 seconds.

Scoring Same Time  
In winning the semi-finals and  
class B title Paul Rinnert scored  
exactly the same time on both  
runs, 30 4 5/8 seconds. Each heat  
winner in class B received a  
football and each second place  
received a softball.

In the tie for the fastest time  
for the course between Jack  
Shoaf of Waldo and Leonard  
Schlecht of 416 West Columbia  
street, the boys drew straws for  
the prize. Schlecht winning the  
draw and receiving a complete  
set of fishing tackle and equip-  
ment as his prize.

Winner of the award for the  
outstanding car was Bob Unland  
12 of 146 Dix avenue. He re-  
ceived a major league style field-  
er's glove.

Official starter for all events  
was Police Chief William E.  
Marks. Judges were Mayor Har-  
ry L. Dowler, Judge Paul D.  
Smith, Judge W. Dexter Hazen,  
Sheriff LeRoy Retterer, and Fire  
Chief Owen A. Siffritt. Presenta-  
tion of awards was by Dr. H. R.  
Finney, president of the Lions  
club. Co-chairmen of the derby  
were Jack Hanley and Joseph  
Halberstam with George Schwab  
publicity director. First aid was  
handled by Owen Meddies.

Ohio Man To Head

## TRUMAN SEES PEACE CHANCES AS 'EXCELLENT'

Endorses Secretary Marshall  
Statement Regarding  
Berlin Crisis.

By The Associated Press  
WASHINGTON, July 22.—  
President Truman said today he  
thinks the chances for world  
peace are excellent.

He endorsed fully Secretary of  
State Marshall's declaration that  
the United States intends to ex-  
haust every resource of diplomacy  
to get a peaceful solution of the  
Berlin crisis.

The chief executive also told a  
news conference he expects to  
confer later in the day with Gen.  
Lucius D. Clay, American com-  
mander in Germany, and with  
Marshall.

Mr. Truman said flatly he will  
not discuss the Berlin situation  
nor any other aspect of foreign  
affairs in his message to congress  
next week.

A reporter asked what is your  
estimate of the chances for world  
peace now?

Mr. Truman replied at once—  
he thinks the chances for world  
peace are good. In fact, he  
hastened to add, he thinks they re-  
excellent.

Secretary Marshall made a  
statement on that yesterday. Mr.  
Truman said adding he is in  
complete agreement.

He was then asked whether  
he meant Marshall's statement  
that the United States intends  
to do everything possible to work  
out a peaceful settlement at Ber-  
lin. Mr. Truman answered yes.

Purpose of Clay's Visit  
While no one would reveal  
the precise purpose of Clay's fly-  
ing visit here, it seemed certain  
that a major goal was to acquaint  
him at first hand with new policy  
decisions worked out for dealing  
with Russia in the ticklish period  
immediately ahead.

Clay was scheduled to see Sec-  
retary of State Marshall early in  
the day at an hour not yet an-  
nounced and after that to talk  
with President Truman as well  
as Secretary of Defense Forrestal  
and other chiefs of military policy.

He also may meet with congres-  
sional members who deal with  
foreign affairs.

Arrived Last Night  
Clay arrived by plane last night  
direct from Germany. He was  
accompanied by his chief political  
adviser, Ambassador Robert  
Murphy and Brig. Gen. J. F. Mc-  
Bride, air force staff officer in  
Berlin.

Met at the airport by Secretary  
of the Army Royal, Gen. Omar  
Bradley and other high military  
and civilian officials. The out-  
spoken commander was immedi-  
ately put under wraps.

As he stepped from the plane  
Royal shook his hand and whis-  
pered in his ear the only state-  
ment which the Army secretary  
thought he should make. A few  
seconds later, Clay offered this  
comment:

"I have returned from Ger-  
many on a quick trip at the re-  
quest of Secretary of the Army  
Royal to report to the depart-  
ment of the Army on the German  
situation. There is nothing else  
I can say at this time."

Plans Unannounced  
The reason for Royal's extra-  
ordinary precaution was not ex-  
plained. Whether Clay will be  
authorized to make any further  
public statement during the few  
days he remains here was not in-  
dicated. He is expected to return  
to Berlin this weekend.

## MARION PATROLMEN SET UP ROAD BLOCK

Guard Crossing Near Dela-  
ware in Mansfield Hunt.

Acting on orders relayed  
through Findlay district head-  
quarters from Columbus, at 8  
a. m. today the Marion substation  
of the state highway patrol dis-  
patched two cruisers to par-  
ticipate in a roadblock set up as  
part of a net around Columbus  
after two men sought in the  
Mansfield Niebel slaying had been  
reported seen in that city.

Highway Patrol Corporal Tom  
Morgan in charge here was or-  
dered to send cruisers to the  
junction of U. S. Route 42 and  
State Route 257 and stand by for  
further instructions from the Co-  
lumbus patrol headquarters.

The spot covered is near Belle-  
fontaine in Delaware county at the  
upper end of the 6 1/2 highway  
dashed north-west of Columbus.  
Cruisers remained there until re-  
ceived radio instructions from  
Columbus to resume normal pa-  
trol at 11:30.

Corporal Morgan indicated that  
all roads out of Columbus were  
watched this morning as law en-  
forcement officers acted on a  
report that the suspects were  
seen in Columbus early today.

HELD IN TRAFFIC DEATH  
By The Associated Press  
KENTON, O., July 22.—James

ment was set for Friday.

## Ninth Polio Victim Reported in County

Marion county's ninth victim of  
polio, Thomas Lumpkin, 17 of  
near Meeker is under treatment  
at Children's hospital in Colum-  
bus. Dr. N. Siffritt, Marion coun-  
ty health commissioner reported  
today.

Lumpkin was taken to Colum-  
bus Sunday night for observation  
after a Marion physician diag-  
nosed his illness as suspected  
polio. A confirmation of the  
diagnosis was received by Dr.  
Siffritt from Children's hospital  
early today. The Lumpkin farm  
home is 1 1/2 miles east of Meeker.

By The Associated Press  
MARYSVILLE, O., July 22.—  
The Marion county health depart-  
ment reported today its fifth  
case of infantile paralysis this  
year. The victim, a 10-year-old  
boy living near Pharisburg, was  
hospitalized in Columbus.

By The Associated Press  
PAWLING, N. Y., July 22.—  
Gov. Thomas E. Dewey says he is  
cooperating with the Truman ad-  
ministration in trying to find a  
way to break the Russian blockade  
of Berlin without taking action  
that could lead to war.

The Republican presidential  
candidate told reporters yesterday  
he is in frequent communication  
with John Foster Dulles, his for-  
eign affairs adviser.

"I'm being kept in daily detail  
touch with the situation," the gov-  
ernor said, calling attention to the  
fact that Dulles had been partici-  
pating in conference with Secre-  
tary of State Marshall over the  
Berlin crisis.

## BOLT OF LIGHTNING HITS SUB-STATION

Current Off 12 Minutes Over  
Marion Area.

Where was Moses when the  
lights went out? He probably  
was here in Marion if you mean  
today.

What appears to have been a  
direct stroke of lightning at the  
Robert's sub-station of the  
Ohio Public Service Co. on the  
Garden City pike, blacked out all  
of Marion for 12 minutes shortly  
after 10 a. m.

A power company spokesman  
said today the bolt which dack-  
ed out all of Marion also cut off  
all power service between Cen-  
tral, Marion, and Roberts sub-  
stations. The charge of light-  
ning struck four main feeder  
lines and the automatic circuit  
breakers on all four lines went  
into effect, blocking out all ter-  
ritory served by those lines,  
which includes all of Marion,  
which is served by feeder line  
groups Nos. 46 and 78, both of  
which went off.

CRIPPLED ACTRESS SUES  
By The Associated Press

from film producer Richard H.  
Quinn. The charge is extreme  
cruelty.

## FINGERPRINTS REPORTED AT KIDNAP SCENE

These and Autopsy Reports  
Studied in Mansfield Triple  
Murder Probe.

By The Associated Press  
MANSFIELD, O., July 22.—Po-  
lice studied autopsy reports and  
fingerprint gleanings today in a  
search for clues to the kidnap-  
slayings of a Mansfield reforma-  
tory executive, his wife and 21-  
year-old daughter.

Bodies of the three, John E.  
Niebel, 50, superintendent of the  
reformatory farm for 30 years;  
his wife, 52, and their daughter,  
Phyllis, were found yesterday in  
a cornfield, eight hours after  
they were kidnaped.

Richland County Prosecuting  
Attorney Theodore Lutz said this  
morning that so far, he had "no  
information to connect the crime  
to any definite suspects."

Authorities concentrated on  
Coroner D. C. Lavender's autopsy  
reports, and those of fingerprint  
experts who spent hours at the  
Niebel home and the spot where  
the bodies were found.

Sheriff Frank E. Robinson said  
experts of the London (O.) prison  
farm's mobile crime laboratory  
had uncovered some fingerprints  
in the home where the Niebels  
apparently had been routed from  
their beds by the kidnapers.

At that in hand  
Coroner Lavender reported  
Niebel had been hit with a blunt  
instrument, but that the blow

MANSFIELD, O., July 22.—  
The Richland county commis-  
sioners today posted a reward  
of \$5,000 for information lead-  
ing to the identity of the per-  
sons who murdered the Man-  
sfield reformatory farm super-  
intendent, his wife and their  
daughter after kidnaping them  
from their home yesterday.

The Mansfield News-Journal  
also offered a reward of \$200  
for information leading to the  
identity of the killers. Although  
not connected with Niebel case,  
the newspaper offered a sec-  
ond reward designed to help  
clear up a crime, the bombing  
of the Crescent cafe here re-  
cently. The amount of this re-  
ward also was \$200.

was not hard enough to kill. He  
had been shot through the top of  
the head.

The daughter had been shot  
through the top of the head on  
the left side, and the bullet  
lodged under her right eye.

Mrs. Niebel had been shot  
through the head and in the ab-  
domen.

Coroner Lavender said "we are  
investigating the possibility that  
the daughter had been criminally  
attacked."

It also was determined, author-  
ities said, that two guns had been  
used in the slayings. They held  
one .38 caliber bullet and one .38  
caliber bullet, taken from the  
bodies. The coroner said an effort  
will be made to recover another  
bullet from Mrs. Niebel's ab-  
domen.

Reconstructed Tragedy  
Reconstructing the tragedy, au-  
thorities said they believed the  
Niebels were in bed either late  
Tuesday night or early Wednesday  
when their slayers appeared.

The victims had been stirred in  
their night clothing officers said.  
When the bodies were found in the  
cornfield seven miles from here  
they were nude.

At the Niebel home, officers  
found empty purses of all three.  
Niebel's spectacles were on a din-  
ing room table. A shotgun, rifle  
and revolver were missing.

Officers reported there were no  
bloodstains in the home, and that  
no one near the cornfield had  
heard any shots. However, nude  
footprints of the victims were  
found leading into the field.

Cigarette stubs were found smudged  
into carpets on both the first and  
second floors of the home. None of  
the family smoked.

Mrs. Niebel's glasses were found

# CAR INDUSTRY PRODUCTION UP

Increased Output Still Lags Behind Demands of Market.

By DAVID J. WHELAN  
Associated Press Automotive Editor

DETROIT, July 22 — The 2,000,000th passenger car of 1948 rolled from the auto industry's assembly lines today.

Later this week truck and coach production will top the 800,000 unit mark.

The industry is sharply accelerating production, but it is keeping up with the demand for new cars and light trucks. Building a prolonged work stoppage among the some producers the full year's output is most certainly will exceed 5,000,000 (M) units. But demand shows no sign of leveling off.

The car makers are well ahead of new showing of last year at this point. The passenger car makers have turned out about 70,000 more vehicles and the truck builders about 15,000 more than they did in the same period of 1947. At present the car builders expect to get as much steel during the remainder of the year as they had in the first half.

They are not nearly as optimistic about the outlook for a steady flow of parts and sub-assemblies from their supplier concerns.

**Independent Production Up**  
A substantial part has been taken in this year's production upturn by the so-called independent manufacturers. While Ford was losing nearly 100,000 units in a model change-over, the smaller concerns increased their output for this year's first half by about 120,000 cars.

Commenting on the operations of the independents, Ward, automotive reports noted that while they accounted for only 9.93 per cent of the total motor vehicle output in 1947, they jumped this to 16.61 per cent in 1948 and to 22.18 per cent during the first six months of 1948.

The smaller concerns, Ward said, somehow have been able to wangle requisite materials and component parts better than the big three.

Kaiser-Frazer, Ward added, took top honors among the independents for 1947 and the first six months of 1948. This firm got 4.06 per cent of the passenger car business for the whole country in 1947 and stepped the figure up to 5.27 per cent for the first half of 1948.

**Used Car Market Firm**  
Ward's placed Studebaker next with 4.74 per cent in this year's first half against 3.47 last year, followed by Hudson with 3.96 against 2.84, Nash with 3.89 against 3.19 and Packard 2.59 against 1.56.

The used car market apparently continues firm. The trade paper Automotive News, which has just completed another survey reports that demand continues to exceed supply for 1948 and 1949 models on the used car lots. (The 1949 models are Ford's Lincoln and Mercury.)

It adds that dealers are looking for a strong late-summer, early-fall retail trade in the Midwest and Southern areas "when record crops of wheat, corn and cotton come in."

Most industry analysts expected Independence Day to mark the beginning of a tapering off in demand for cars on the used car lots.

Automotive News added: "Despite the optimistic outlook on crops, most dealers were quick to declare they are being espe-

cially careful about stocking too heavily of late models. Continued new car production, they feel, will eventually hammer down present prices as soon as a summer travel season begins. Winter is a slow year, many said, will be worse than last year."

## Mechanists Report On Shop Election

The Marion Association of Machinists, Lodge No. 28, AFL, held a union shop election at the Marion Metal Products Co. May 14 and a vote as to whether the union shop could continue under the labor management plan. The result in 260 votes was 150 in favor of the union shop and 110 against it.

This was the fourth and final vote taken on the issue in the city. The others resulted in 108 yes votes and 2 no votes at a meeting February 8 at the Huber Van Manufacturing Co., 234 yes and 6 no at a meeting February 29 at the Marion Metal Products Co., 110 yes and 6 no at a meeting March 10 at the General Electric Co. Mr. Beverly reported.

When Jacques Carter sailed up the St. Lawrence river in 1534 and discovered a series of rapids he thought he had reached the coast of China.

## ERIE JUNE INCOME TOPS 1947 FIGURE

Total Net for Six Months Also  
Higher.

CLEVELAND, July 22—Erie railroad net income for June was \$1,188,000, equivalent to earnings of 41 cents per share on common stock, before capital and sinking fund provisions, R. E. Woodruff, president, announced today. In June last year Erie's net was \$771,190 or 8 cents on common.

For the first six months net earnings were \$5,538,181 or \$1.84 per share before capital and sinking fund provisions, compared with \$5,011,194 a year ago or \$1.04 a share.

Total operating revenues in June were \$14,778,430 as against \$12,284,430 a year ago, an increase of \$2,513,920 or 20.5 per cent. In the first half of this year, revenues were \$45,335,842 compared with \$73,422,438 last year, up \$11,013,406 or 15.2 per cent.

Total operating expenses in June were \$10,937,327 this year and \$9,750,000 last year, an increase of \$1,207,447 or 12.4 per cent. For the six month period they were \$45,500,650 as against \$57,881,574, up \$4,810,558 or 11 per cent.

Cars loaded on the Erie and received from connections for the first 15 days of July are one per cent under last month and 10.2 per cent under the same period last year.

## Letters from Our Readers

### AGAINST AIRPORT PROJECT

Editor of The Star: This letter is written for the purpose of bringing to the attention of the civic planning commission on the city council and to the voters a subject that without any question is and has been regarded for some time, a decided mistake and a foolish program.

Approximately two years ago the need for a new airport was promoted and finally placed on the ballot by the civic planning commission. The voters at the time approved of the plan and the program has proceeded to the extent that bonds were issued and property purchased for this new airport.

Since that time I am sure, it has become very apparent to every one that to continue this program would be a decided mistake. I believe that any clear thinking resident of Marion after reading and following all of the information in regard to the failure to secure the approval of adequate air transportation, has definitely made the decision that to deliberately continue to expend the sum of approximately seven hundred thousand dollars of property owners' and the federal government's money for this airport project is to deliberately expend a foolish mistake. It is only necessary to survey such projects already completed in other cities comparable to the size of Marion.

It's about time that some one in connection with the civic planning commission who promoted and sold the need of an airport to the voter has, in plain words,

the city would be compelled to take a certain action in the case of a disaster. However, it is a far better to correct a mistake when it is small, rather than to let it grow into a major one. Give the voters a chance to rectify this foolish mistake and take a small loss rather than spending the balance of approximately seven hundred thousand dollars unnecessarily.

A copy of this letter is being mailed to the civic planning commission and to the city council. Let us see who in the civic planning commission in the city council, or its medical profession, the best in hospitals and equipment. Here is a program that is not and must not be a failure. It is almost impossible to waste the taxpayers' money on the question of the need for a good hospital.

There is no question but that 282 Hane Avenue

## MAY ASK FOR DRAFT CHANGE

18-Year-Olds Say Can't Volunteer for Service—Not Enough Openings.

By The Associated Press  
WASHINGTON July 22—Complaints from many 18-year-olds that they are being squeezed out of a chance to volunteer for military service seemed likely today to get attention at the special session of congress.

Staff aides of Chairman Gurney (R-S.D.) of the senate armed services committee said he already has asked Secretary of Defense Forrestal for a report on possible changes in the Selective Service act.

Thousands of the teen-agers jammed recruiting stations yesterday to sign up for a one-year term in the armed forces, thus avoiding a draft call for 21 months' service when they turn 18. However, congress said only 161,000 may be accepted during the next year—and there are an estimated 1,200,000 in this age bracket now.

Gurney earlier opposed the Army plan of taking the volunteers on an equal monthly basis on the grounds this will cause many to lose two years of schooling. He suggested instead that most of the 18-year-olds be accepted during the summer vacation period.

**Reasons for Ceiling Given**  
Forrestal himself wrote Gurney last April 23 that he considered the 18-year-old quota system an inadequate compromise for the Universal Military training program which congress pigeonholed.

Gurney's committee aides gave these reasons for the 161,000 ceiling on the teen-age volunteers:

1. Only \$500,000,000 was appropriated by congress for the one-year training program and unless an extra amount is appropriated at the special session further expansion is barred.

2. A larger number of 18-year-olds would require more regulars to train them, thus reducing the

combat strength of the armed forces.

3. The one-year volunteers can not be sent outside the country except for brief training cruises or flights by those in the Navy and Air Force. But drafted men can be dispatched on any overseas assignment.

### Speed Draft Plans

Meanwhile Selective Service officials sped preparations to start registering those men 18 through 25 who will be subject to a draft call.

Registrations will begin August 20 and continue through September 15 with induction of qualified men to start at some later date.

## 4-H CLUB NEWS

### BUTY MEM

Plans were made to outline programs for the year when the Green Camp Busy Base 4-H Club met Tuesday. The program committee is composed of Jeannette Ward, Joan Anne Bricker and Patty Pfeiffer. The club decided to hold a skating party Thursday. Guests were Sandra Converse and Betty Reynolds. At the next meeting, judging of projects will be held at 2:30 p. m. preceded by a petcock dinner at 11:30 at which mothers of the members will be guests.

## Get Welcome Relief From Stomach Gas, Sour Food Taste

Do you feel bloated and miserable after every meal? If so, here is how you may find relief from this annoying distress. Thousands have found it the way to be calm, cheerful and happy again.

Everytime food enters the stomach a vital gastric juice must flow normally to break up certain food particles and the food may ferment, sour food, and produce a bad odor. This is due to a lack of gastric juice. This is due to the fact that the stomach is not producing enough of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by means of special tests shown that S&S Tonic is actually effective in increasing this juice when it is too little or scanty due to a non-organic functional disturbance. This is due to the fact that S&S Tonic contains special and potent vitamins, minerals, and potent nutrients.

**Wagnalls Family Agam Re-members Lithopolis with Gift of \$2,500,000.**

By The Associated Press

NEW YORK, July 22—A family's love for a little Ohio town where the father was born found expression again yesterday.

Lithopolis, Pa., a town of 1,000 people, received a gift of \$2,500,000 for education and science. The little town 15 miles southeast of Columbus was bequeathed almost all of the estate of the late Mrs. Mabel Wagnalls Jones, writer, pianist and daughter of a founder of the Funk and Wagnalls Publishing firm.

The money will go to the Wagnalls memorial at Lithopolis, which Mrs. Jones built in 1923 in memory of her father, Adam Willis Wagnalls, and mother, Anna Wagnalls. The late publisher was born in Lithopolis.

**Money for Scholarships**

A tax appraisal filed yesterday in New York revealed that Mrs. Jones left an estate of \$2,780,788. Other bequests totaling \$215,000 were made in her will, including \$40,000 each to five cousins.

Part of the money for Lithopolis will go into scholarships for undergraduates in colleges, music and art schools. These are available to all boys and girls in Bloom township, in which Lithopolis is situated.

Mrs. Jones ordered that "citizens resident of the village of Lithopolis be preferred to all others, and that citizens resident elsewhere in the township of Bloom be next preferred." Lithopolis has a population of 288. Mrs. Jones, who died March 22, 1946, was the widow of Richard J. Jones.

**Cultural Values**

The Wagnalls memorial itself is in the form of a community center in Lithopolis. It has a library of 6,000 volumes, an auditorium where the latest movies are screened at a nominal admission price, and a dining room which is used by local churches and community organizations.

**SAYS CONTROLS MAY BRING BLACK MARKET**

By The United Press

CHICAGO, July 22—The president of the National Association of Retail Grocers claimed today that the most gigantic black market in history will develop if the government imposes price controls.

C. C. Prentice, Britton, Okla., issued his warning at the same time that the Chicago stock yard announced that a three-day price record was set yesterday when 24 steers sold for \$41 a hundred pounds.

Prentice said rationing and price controls "serve their purpose" in wartime but "simply do not work" in time of peace.

He said Americans are eating more meat now than ever before despite a subnormal supply.

Before the war he said, "Americans ate 125.6 pounds of meat per capita. Last year they ate 154 pounds per person." This year, he said, there will be 12 pounds less available for each person.

Cuba is the outstanding Latin America sugar producer and exporter supplying more than half of the total Latin American production.

## Son Bequeathed Bulk Of Pershing Estate

**WASHINGTON, July 22—**The bulk of Gen. John J. Pershing's estate was left to his son, Anna M. Pershing, who had cared for him for several years before his death last week. His will, dated Oct. 24, 1946, was filed in New York. The will stipulates, however, that should the estate exceed \$150,000, all over that amount must be divided among several other persons, including the general's chauffeur. There was no estimate of the value of the estate. The will provides that the estate is to be placed in trust, with Miss Pershing receiving an annuity of \$6,000. At her death, the remaining portion is to go to Pershing's son, Warren Pershing of New York.

**FIRST DOUBBLE-DECK AIR-LINER CARRIES 34 IN TESTS.**  
Seventy-five passengers and nine members of the crew line up beside the huge new air clipper America following tests which indicated that it could carry them all—and have room to spare. The \$1,300,000 strato-cruiser is the only airliner with a double deck, plus a spacious lounge and bar. The largest and fastest commercial land plane will cut the San Francisco-Honolulu flying time from 12 to 8 1/2 hours.

**AS PART OF U. S. BOMBER ARMADA REACHED ENGLAND.** Among the first of 80 B-29 bombers to be flown from the United States to British bases, one of the big super-forts arrives at Scampton, England and crew and base personnel start leaving it. According to Lt. Gen. Curtis Lemay, commander of the U. S. Air Forces in Europe, who is now in Wiesbaden, Germany the B-29s are scheduled to engage in Wiesbaden, Germany the with other U. S. craft in Europe. The visit was described as being part of the normal long-range flight training program.

**HERBERT**

cent tax on retail sales up to 41 cents.  
This reduction, the governor said, had been estimated by the state tax department at \$12,000,000 to \$15,000,000 a year.  
"There is no doubt but that at the present time the state can afford the loss of revenue which would result from the repeal of the tax," the executive added.  
Legislative leaders were hopeful the session would be able to pass the Governor's program late today and that it would not be necessary for members to return for a session tomorrow.  
**Refuse Pleas**  
Yesterday Gov. Herbert turned down pleas to open the special session for consideration of extra state financing for local subdivisions. He told representatives of the association of Ohio municipalities he could "not see the urgency" for additional financial relief at this time.  
Members of the legislature will decide whether or not the governor expands his call to permit consideration of legislation that would permit the Henry A. Wallace Third party ticket to appear on the ballot.  
The governor indicated he would authorize consideration of the subject if legislative leaders request it. He said he knew of some sentiment among members to permit the Wallace ticket to go on the ballot.

TRUMAN MAY ASK FOR POWER

**Expected To Request Anti-Inflation Controls at Congressional Session.**  
By International News Service  
WASHINGTON, July 22—President Truman will "throw the book" at congress on anti-inflation controls when he addresses a joint session in person at 12:30 p. m. (EDT) Tuesday.  
An authority close to the White House disclosed today that the President probably will ask for executive powers far more drastic than his ten-point economic program made to congress last November.  
**Probable Requests**  
This authority said Mr. Truman has under consideration asking for:  
1. Price ceilings on many commodities and materials, with special emphasis on food, necessities he considers far out of the price line and on steel.  
2. Stabilization of wages to go hand in hand with price ceilings.  
3. Power to allocate and channelize basic materials for use where they are most vitally needed.  
4. Stand by rationing powers on scarce commodities.  
5. Increased government subsidies to make it possible to roll back prices on necessities such as food.  
It was emphasized that the President has not yet completed the final draft of the message he will deliver in person to the session, but that some rigid controls, as well as some others, are being considered as necessary to deal with a runaway price situation.  
The main emphasis of the President's message will dwell on the necessity of clamping on con-

### Big Bad Bear Irk Washington Hunter

By The Associated Press  
ARLINGTON, Wash. — Don't blame the hunters for having killed a bear in a tree, had the right idea, is the opinion of Jack Eastland.

Eastland, a veteran big game hunter, says bears are getting so thick in the coastal mountain area they have become a menace to the timber crop.

The bears go after second-growth fir when food is short in the early spring. They pick up 60 to 70-foot trees and rip the bark away. The raiding was here last year when the berry crop was late.

The hunter believes the bear population hereabouts has increased from three to five times in the last quarter-century. They

are becoming more destructive than crows, pecking on livestock and poultry as well as the timber," says Eastland.

The state regards bears as game animals. Eastland thinks traps should be closed as predators and hunters permitted to hang away at them freely.

### St. Louis Chief Rules Out Noisy Weddings

By The United Press  
ST LOUIS — Weddings here will be quiet hereafter. Chief of Police Jeremiah O'Connell has decreed.

The police department is preparing pamphlets warning newlyweds "many years of happiness," but reminding them that "nervous wrecking" parades through St. Louis streets with auto horns

honking and cowbells ringing are against the law.

O'Connell said the brochures will be distributed where they will do the most good, the city hall marriage license office.

### Family Lists Twins For 4 Generations

By The United Press  
MEMPHIS, Tenn. — Twins run in the family of a pair of 81-year-old twins.

Mrs. Ruth Lee of Capeville, Tenn. and W. T. Watkins of Olive Branch, Miss., twins, celebrated their 81st birthday with a family party.

Mrs. Lee is a widow without children. But Watkins has 11 children. And among his offspring were a set of twins of his own, a set of twin grandchildren and a set of twin great-grandchildren.

### GREEN RAM PUZZLES MOBILE, ALABAMA AREA

By The United Press  
MOBILE, Ala. — When green rain fell here, and boy brought a bucketful to the newspaper office, just in case anyone doubted him.

After the downpour, playmates and streets for a four-block area have a lime tint.

The weather bureau said the green rain could have been caused by some chemical being discharged into the air from an industrial plant.

However, others believed that army flares from nearby Brookley field had been experimenting. They theorized that some of the dye used by them who crash at sea to color the water and attract air rescuers had been dropped on a rain cloud.

# STAMP ISSUES CALLED "JOKE"

27 Special Stamps Authorized in Last Six Months Ink Collectors.

By The Associated Press

NEW YORK, July 22.—Fifteen million stamp collectors in this country are slowly going "stamp-happy" from a combination of high-priced foreign stamps and U.S. stamp issues now flooding the market.

Within the last six months congress has authorized 27 special postage stamps honoring such groups as the five civilized Indian tribes, the volunteer firemen, the poultry industry, the turners society, the Rough Riders and even the founder of the Flan-

den field poppy. The end seems nowhere in sight.

**Stamps Becoming Jobs**

Harry L. Landquist, editor and publisher of stamps magazine and other philatelic publications says "at the rate these stamps are being offered up in congress, it surely will become evident even to our congressmen that they are making a joke out of our postal system."

It all started when congressmen began to pass bills ordering the postoffice department to issue certain commemorative postage stamps. Previously only the postoffice determined which stamps were to be issued. Usually this number amounted to eight or nine stamps a year.

Stamp collectors are not incensed because of the abundance of new stamps. Most are only three or five-centers and the total cost for all the new U.S. stamps in one year would not be more than a dollar. It is the "worthiness" of the commemoratives that is disturbing the philatelic mind.

**Stamp for All Occasions**

When a stamp honoring the poultry industry, sometimes called the "hen stamp," cackled onto the market, the dairy industry, coal industry and the honey industry asked for similar issues.

The girl scouts of America are soon to be honored by a new stamp.

The boy scouts were turned

# STRIKES UPSET ITALIAN PLAN

Product Must Increase If Marshall Plans To Go Into Effect.

By The Associated Press

ROME July 22—Strikes threaten to upset the Marshall plan timetable in Italy.

A quickening quarrel between organized workers and management over wholesale labor layoffs has focused attention on the creaky condition of Italy's industry.

Production must be doubled and new markets found for Italian goods if the Marshall plan is to meet major objectives.

Caught in the tight squeeze of mounting costs (about 85 times above prewar levels) and falling demand Italian industrialists have trimmed their sails, cutting production and laying off labor.

3 MILLION Idle

Labor confederation (CGIL) leaders belonging to both the union's Communist majority and pro-government minority reacted sharply and swiftly. Strikes and slow-downs have cut into the making of most everything from spaghetti to steel.

By best estimates 2,000,000 workers are unemployed in Italy today. Additions to this idle force—labor says layoffs are numbering as high as 5,000 weekly—will only bring more misery to the nation's low-paid (about \$50 monthly) under-fed (less than 2,200 calories daily) laboring class.

The expected general upturn in business following the usual winter slowdown and the April election has not developed.

Management points out that compared with 1938 the cost of labor has risen about 70 times. It contends it hired thousands of workers in wartime to keep them off forced labor trains to Germany.

Management wants the government to transfer the burden of supporting an estimated 100,000 surplus workers from industrial payrolls to the public budget.

Surplus Workers Released

Labor and management agreed Aug. 7, 1947, on the gradual release of surplus workers from industry. Government legislation which prohibited the dismissal of all workers hired before the end of the war was permitted to expire Sept. 30, 1947.

The labor-management agreement for gradual dismissals, meanwhile, has broken down due to resistance from factory committees and labor union.

Industrialists consider this continued "over-employment" is one of the most serious obstacles to a lowering of production costs and to expansion in production and exports called for by ERP.

## BATTERY MATES

By The Associated Press

NEW YORK — Bill Stewart, National League umpire, and Billy Meyer, new manager of the Pittsburgh Pirates, once were battery mates. It was in 1919 when they were members of the Louisville Colonels. Stewart was pitcher then, and Meyer says he wasn't a bad one either.

**KITCHEN RANSACKED IN KIDNAP-KILLING** — Kitchen drawer in home of triple slaying victims John Elmer Niebel, 50, his 52-year-old wife and their daughter Phyllis, 21, in Mansfield, apparently was ransacked by the kidnap-slayer or slayers. In a search for weapons, note the half empty cartridge box on the sink (international photo).

## Seek Niebel Killers' Trail

(Continued from Page 1)

West 22 were identified by witnesses as the killers of Ambrose.

The Niebels were found missing from their home near the reformatories 1,600-acre farm yesterday morning when the farm superintendent failed to appear at a guard roll call. Investigators found the doors open, the house ransacked and both family automobiles in the garage.

**Bodies Found Nude**

The nude bodies of the Niebel family were discovered at 2:15 p. m. in a cornfield some six miles northeast of town.

Discharged shell cases from what appeared to have been a .38 caliber automatic and a .25 caliber pistol were discovered near the bodies.

Lutheran Minister Rev. Herbert Vetter of Stoney Ridge, and Robert Zoeller, 16, of Chillicothe, a counselor at a nearby Lutheran church boys' camp made the discovery while leading a hike of 65 boys.

Young Zoeller spotted "something" off Fleming Fall road a country byway, in knee-high corn. He dropped out, found the bodies and reported to Rev. Vetter.

The pastor examined the bodies and then told the youths "It's only some dead hog" because he was afraid of alarming them.

Rev. Vetter then led the bikers to the home of Mrs. John Winger of rural route 2, Mansfield, who telephoned the sheriff's office. State and county officials went immediately to the scene of the killing.

Footprints of two men, one with "unusually large feet" went some 60 feet from the road to the center of the cornfield.

The bare footprints of the three victims also were clearly visible in the rain-soaked earth.

Sheriff Robinson said a light gray automobile, similar to one driven by West and Daniels last seen Monday night at New Lexington, was noticed beside the Niebel house on the reformatory grounds between midnight and 2 a. m.

Police today were expected to have ballistics experts examine the bullets taken from the victims and those taken from the Columbus tavern owner to see if similar guns were used in the slayings.

Arthur Glatke, reformatory superintendent was in Cleveland when the kidnap-killing was reported. He termed Niebel a very valuable officer—one of our finest," he added.

"I wouldn't know anyone who would harbor resentment against him. On the other hand they may have asked him to do something he refused to do.

The superintendent declined to comment on the Daniels West

have been paroled from the reformatory within the last year. On July 10 the two shot and killed Earl C. Ambrose, owner of a night club in Columbus and then stole \$500. Earl at that time took \$7,000 from a West Side grill in Columbus. They drove a light gray sedan. Columbus police said.

### Murder in Michigan

On July 11 in Flat Rock, Mich. near Detroit a pair driving the same type of car and fitting West and Daniels' description killed the operator of a tourist camp in an attempted holdup. West got one to seven years for grand larceny in Summit county on Jan. 16, 1947. He was paroled from OSR April 1 of this year. Daniels was released last fall officials said.

Reformatory officials, headed by Supt. Arthur L. Glatke, are checking into the whereabouts of all OSR inmates released within the last year.

Attempts were being made to discover through inmates if any threats had ever been made on Niebel's life.

A son, Loyal F. Niebel, 24, of near-by Five Points said he knew of no one who would want to wipe out his parents and sister for revenge.

Another brother, Russell D. 22, lives in Chicago.

Richard County Jail Det. D. C. Lavender, examined the women's bodies last night for indications of criminal attack after disturbed bedclothes were discovered in an unused guestroom at the Niebel home.

## GRAY CAR CHECKED FOR MANSFIELD CLUE

By The Associated Press

LISBON, O. July 22 — The state highway patrol came up on a blood-stained automobile abandoned here early today to learn whether it might have been used by the slayers of a Mansfield reformatory executive, his wife and their 21-year-old daughter.

The car, a 1939 Pontiac convertible, had blood stains on the left front window. Inside was a muddled road map indicating that it had been driven through Mansfield where John E. Niebel, 50, his wife 52 and their daughter were shot and beaten to death yesterday and left lying nude in a cornfield.

Police Capt. Dalton F. Pike of Lisbon said two men abandoned the car and fled after they lost the ignition keys in a street fight with Jasper Hute, 38, a dishwasher.

Hute told the chief he was on his way home from work when the two men whose light gray car was parked on the Lincoln highway headed east jumped out and attacked him. Hute said he was struck on the head with a revolver butt but before going down saw one of his assailants with a heavy set dark complexioned man of about 25.

The abandoned automobile had a newly bottled back license plate Illinois issue (967310) and the front plate was inside the car. Officers also found a driver's license issued to a Leasbury, Mo. resident, and a road map showing a route into Ohio through Mansfield on the Lincoln highway and outlining an area including Youngstown, Cleveland, Akron and Lorain.

Columbiana County Sheriff George Hayes said he believed the men left his county early today in a pick-up Dodge truck which a strip mine worker reported stolen shortly before daybreak from a parking place along a roadside six miles northeast of here.

## Son of Niebel Leaves for Home

By International News Service

CHICAGO, July 22—A son of the Ohio State reformatory farm official who was slain with his wife and daughter was en route to Mansfield, O. today to make arrangements for their funerals.

Russell Niebel, 22, told police he left before departing from Chicago this afternoon to meet his brother Loyal at Mansfield. Russell, a television repairman, said that he and his brother came to Chicago two years ago to attend the American Television Institute after both had served overseas with the Navy. Loyal later returned to Mansfield.

Young Niebel, 24, is taken by the triple murder and said he had no idea who the killers might be.

Russell said he last saw his parents and sister when he took his brother Loyal and their 18-month-old daughter Vickie to Ohio for a Memorial Day visit.

**FAMILY OF EVANGELISTS** Rev. and Mrs. Raymond Bridgeford and son and daughter of Columbus pictured above assisted evangelists are cooperating in special services of Second Church of Christ in Christian Union this week. The services opened the first of the week and will continue over the weekend. There will be preaching and singing by the family at the church at 707 Bennett street at the remaining services. Rev. I. H. McBee, pastor, stated.

are former inmates of the Mansfield reformatory.

The pair struck for the first time in Columbus about 11:30 p. m. July 9 when they walked into Joe's Grill and Gardens on Broad street and one fired a shot into the ceiling.

While the one held about 100 customers at gunpoint the other took about \$5,000 from the cash register.

Within 40 minutes the bandits appeared at the Ambrose Tavern at Fifth avenue and Summit street in Columbus. When Earl C. Ambrose proprietor walked away from the holdup men he was cut down by a fusillade of shots.

A woman customer, Mrs. Ruth McBurney, 44, of Columbus, wounded as she sat in a booth was reported in good condition in White Cross hospital.

Next stop for the killers was in Flat Rock, Mich. where they shot down Frank Krech, 52, operator of a tourist camp during a holdup the evening of July 10. Krech died two days later.

The pair was later reported seen at several places. In New Lexington Monday night a hotel clerk identified Daniels as a man who stopped to inquire about a room and left in a gray car similar to that reported used by the two in their getaway in Columbus and Mansfield.

The triple kidnaping and murder of the Niebel family in Mansfield yesterday is latest of the crimes in which Daniels and West are believed implicated.

## Sportsman Proves It Pays To Fish

By The Associated Press

Laramie Wyo. Dec. 6 W. McGee of the University of Wyoming history department has explained answers to the old problem of how a trout stream can deliver fishermen happy.

With the help of a little book keeping he convinces Mrs. McGee that his absence in the wilds have a dollar and cents value.

Perhaps some other fishermen whom wives are "treashed" through the summer might find the same system useful, McGee says.

He keeps tab of all his expenses on fishing and hunting trips. He also places a cash value on the trout or game birds he brings home. At the end of the year he strikes a balance between receipts and expenditures.

If the money value of the fish and birds exceeds his expenditures Mrs. McGee receives a bill for the amount. This she ignores.

If the cost of the trips exceeds the value of the products of the hunt, McGee has to pay his wife the difference. She can buy a new hat with the money if she wants.

In last year's report McGee said he spent \$38 on equipment and travel for 38 fishing trips. He swears he caught 974 trout which he valued at eight cents each or a total of \$339.24. For eight hunting trips he listed costs of \$37.30. But McGee claimed a value of \$35.50 on the 31 ducks, 11 pheasants and one grouse he got.

Mrs. McGee is still ignoring the tendered bill for \$115.

## Phone Co. Conference

### To Close Here Today

Final sessions of a two-day conference of the supervising personnel of the commercial department of the Ohio Associated Telephone Co. are being held today at Hotel Harding. Open discussions on the conference theme, projecting policies and practices into the field offices, make up the two-day program. W. C. Kimball, division commercial supervisor, is acting as program chairman and is in charge of the activities.

Attending are Frank D. McCarthy of Erie, Pa.; Evan Owens of New Philadelphia; D. G. Adams of Bryan; William Kreiter of Celina; Ralph Hamilton of Jackson; Mrs. Frances Gordier of Brookville; Miss Betty Seitz of Sylvania; Miss Bertella Rose of Caldwell; Mr. Kimball, D. W. Hummel, Jack Boyd, Vernon Ben-

der, N. Uhl, Frank Summerlin, H. P. Karmas, Mrs. M. A. Downes, Miss Maurine Hodson and Miss Mildred Bishop of Marion.

## Plans Nearly Complete

### For Cavalier's Concert

Arrangements are nearing completion for the Cavalier's concert at Central Junior High school auditorium, set originally for tonight but postponed until Saturday night. The choral ensemble from Detroit, Mich., and Miss Estelle Andrews, soprano soloist and director of the ensemble, who will sing, have gained recognition in various parts of the country for the quality of their musical renditions. They have appeared in concerts in Detroit, Flint, Mich., Waterbury, Hartford, New Haven and Ansonia, Conn., and various other cities on their itinerary where they have been warmly received. The concert here is a benefit performance for the Quinn Chapel AME church on Park street. Tickets already sold for the Thursday night date will be good for Saturday night, it was announced.

The noun burnside, meaning side whiskers with smooth chin as worn by Gen. A. E. Burnside, dates from the Civil War.

but now they're coming in abundance from Florida, at their greenest, largest, juiciest best. Limeade is just as nutritious as the other members of the citrus family—orange, grapefruit, lemon. And they're just as versatile. Here are some tried-and-true lime recipes.

Florida Limeade

RED CROSS SEWING,  
KNITTING RESUMED

Articles for Hospitalized Veterans Are Needed.

Women in the city and county, who just about a year ago completed their volunteer work for the Red Cross, are being asked to resume this activity by accepting a quota to provide comfort articles for hospitalized veterans. It was announced today by Mrs. J. T. McNamara, production chairman of the Marion County Chapter of the American Red Cross.

There will be knitting as well as sewing, the chairman states. The local chapter is asked to make 25 sleeveless sweaters and 50 beanies, and for sewing there are 50 pairs of pajamas, 15 lap covers and 500 bed pan covers to be made.

Mrs. McNamara has asked Miss Maud S. Gorman of 422 South Main street to take over the knitting. The yarn is already here and may be obtained at Miss Gorman's home. Her telephone number is 5188. The sewing work will be cut in the immediate future and organizations with sewing rooms are asked to take over this part of the work, the chairman said.

large pitcher; stir until sugar is completely dissolved. Add water and stir well. Fill 8 tall glasses one-half full of crushed ice or ice cubes, and put a lime slice in each. Arrange pitcher of lime juice mixture, along with glasses, on tray. To serve pour lime juice mixture over ice and lime slices in glasses. If desired a plate of extra lime wedges, cherries and mint leaves may be served with the drink.

Lime Chiffon Pie

1 envelope unflavored gelatin, 1/4 cup cold water, 4 eggs, separated, 2 tablespoons grated lime rind, 1/2 cup lime juice, 1 cup sugar, 1/2 teaspoon salt, 1/2 cup heavy cream, whipped, one 9-inch baked pastry or cookie shell.

Soften gelatin in cold water. Combine slightly beaten egg yolks with lime rind and juice, one-half cup of the sugar and salt; cook in top of double boiler about 10 minutes or until mixture thickens, stirring constantly. Add gelatin and stir until dissolved. If desired, tint pale green with food coloring. Allow mixture to cool until almost firm. Beat egg whites stiff, but not dry; add remaining one-half cup sugar slowly, beating after each addition. Beat gelatin, then fold into beaten egg whites and whipped cream. Turn into pastry or cookie shell and chill until firm.

Lime Meringues

3 eggs, separated, 1 cup sugar, 1/4 teaspoon cream of tartar, 1/4 teaspoon salt, 4 tablespoons lime juice, 1 1/2 teaspoons lime rind, 1 cup heavy cream, whipped.

Beat egg whites until foamy. Add cream of tartar and salt; beat until stiff but not dry. Add three-quarter cup of the sugar gradually, beating until very stiff. Cover baking sheet with heavy brown paper. Pipe meringue into 6 rounds about 3 inches in diameter. Make a 1/2-inch depression in the center. Bake in a very slow (175F.) oven for 1 hour. For the filling, beat the egg yolks; add remaining one-quarter cup sugar and the lime juice. Cook over boiling water, stirring constantly until thickened. Add grated lime rind. Remove from heat; chill. Fold into whipped cream. Fill meringue shells. Chill 6 to 12 hours in the refrigerator. Makes 6 servings.

At the beginning of the present century, the output of the pulp and paper industry in Canada was valued at about \$8,000,000. In 1943, the value had reached \$345,500,000.

# Zanesville Drubs Cubs, 7-1, Before Small Crowd

## Marion, Now One Game from Celler, Meets Rising Newark Yanks Tonight

One game away from the bottom. That's the position the Marion Cubs find themselves in today after having absorbed their tenth defeat in the last 19 outings—a 7-1 setback at the hands of Zanesville's Dodgers before a tiny crowd estimated at 200 at Lincoln park last night.

The rising Newark Yankees will come to Lincoln park tonight for a battle with the sliding Braves and a win for the invaders could shove them up into the first division, standing as they do at the present one-half game away from the coveted playoff position.

Another loss for Marion coupled with a Lima victory tonight would drop the Cubs into the bottom. A curve ball artist named Paul (Bayer) Oakes kept the dying team at bay last night, a slugger named Jerry Mack kicked it a time or two.

**Scouting 7 Hits**  
Oakes, a right hander, limited the Bruins to seven hits—to the lead-off batter in each inning but the first and fifth and left that batter stranded in every inning but the third when Pete Schnepf doubled, moved to third on an error, and scored on an infield out.

Right fielder Jerry Mack led the assault on the Cubs. He doubled, tripled and homered in four trips to drive in three of Zanesville's runs. John Pulcinelli also hit safely three times in four trips.

Singles by Walt Lindsey, Rudy Antonetz, Pulcinelli and an error gave the Dodgers a three-run lead in the first inning, but Tingle blanked them on no hits until the sixth when successive doubles by Dave Myers, Mack and Don Hilbert scored two more runs and sent Tingle to the showers with his first defeat in the Ohio Indians league. He has won none. Ray Peet came in and quenched the fire, leaving three stranded, but Pulcinelli and Mack reached him in the seventh, Mack's blow over the right field wall scoring the Dodger first basemen before him.

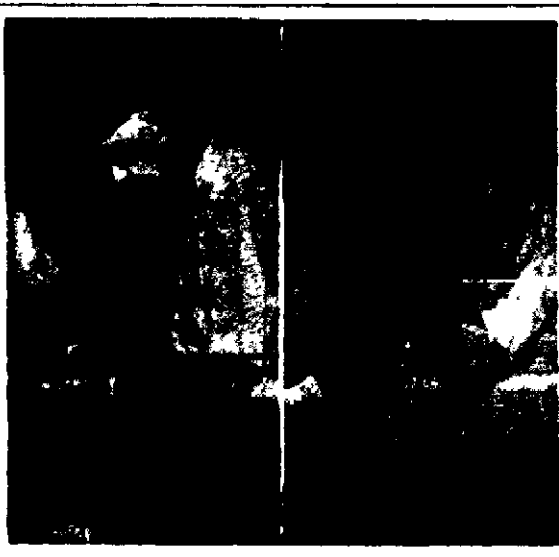

**K. of C. Softball Team Enters State Tourney**

The Marion Knights of Columbus softball team will play in the state K. C. tournament at Cedar Point this weekend, manager Joe Maloney announced today.

The locals drew Youngstown as their first opponent. The two teams will meet Saturday at 1 p. m. A second game against an unknown opponent has been scheduled for 6:15 Sunday morning.

Twenty players will leave for Cedar Point Friday for the tournament.

Other teams entered are from Carey, Warren, Port Clinton, Springfield, Fostoria, Elyria, Norwood, Youngstown, Sandusky, Akron, Swanton and Cleveland.

**DUO OUT VIEWS OF SHOTGUN.** These candid views of Earl Shotton, manager of the Brooklyn Dodgers, were made during the Brooklyn-Chicago Cubs game at Wrigley Field, Chicago (July 20). At left, he lets down notation on score card; center, he watches anxiously during close play, and right, breaks out in a smile as Gene Harmanek steals home.

**SPRINGFIELD BREAKS LONG LOSING STREAK.** Shade Richmond, 2-1, To Move Into 3rd Place.

**FELLED TO FACE NEW YORK TODAY**  
By The Associated Press  
NEW YORK, July 22—Bob Feller tries again tonight to recapture his old mastery—and he'll be hurling against the New York Yankees, who have beaten him three times in as many starts this year.

The Indians are hoping desperately that Feller can go the distance for a change because only one hurler, Steve Gronow, has pitched nine innings since the Tribesmen started their eastern trip.

The Indians were a game and a half ahead in the American league chase today mainly because of a grand slam home run by Jim Hegan in the second game of yesterday's twin bill with the Yankees.

Hegan's smash, his first home run with the base loaded in his 10-year baseball career, climaxed a rally in which the Indians scored three times in the seventh inning and five times in the eighth to erase a four-run New York lead. It enabled the Tribesmen to win the second game 12 to 8 after dropping the opener 7 to 3 before 67,133 fans, largest week day crowd of the year at Yankee stadium.

Hegan's homer was the second of the day for the Indians. In the first inning of the opener, Boudreau, hampered by his ninth home run with one man on base to give the Indians a ten-run lead. However, the Yankees wiped that out on home runs by Joe Dimaggio, Bill Johnson, Cliff Mays and Phil Rizzuto.

Bob Munciel and Sam Zolcak were the chief victims of the Yankee attack in the opener, each giving up a pair of circuit smashes.

Tribe left fielder Dale Mitchell hit safely in both games, extending his hitting streak to 18 straight games.

**YESTERDAY'S STARS**  
By The Associated Press  
Batting—Jim Hegan, Indiana—Smashed a base-loaded homer with more tied to give Cleveland 12-8 verdict over Yanks in second game of doubleheader.

Pitching—Ralph Branca and Joe Hatten, Dodgers—Hurled Brooklyn to double win over Cubs, 9-3 and 7-1.

**SOFTBALL GAMES RAINED**  
All Industrial league softball games scheduled for yesterday were postponed due to wet weather. Nine postponed games in the YMCA circuit will be made up on successive Fridays, beginning tomorrow with a game between Osgood and Quaker Oats of Industrial league No. 2 at Garfield park, and Forest Lawn vs St. Mary No. 1 of the church loop at McKinley park.

# GREYHOUND TO TROT EXHIBITION TOMORROW

By International News Service  
CHICAGO, July 22—Greyhound, the world champion trotter, will come out of retirement tomorrow night for an exhibition run on the closing card of Maywood Park's harness racing program.

Now 10 years old, Greyhound still holds 10 world records, including the fastest mile ever trotted, 1:53 1/4. The 1933 Hambletonian winner has won 71 of his 78 starts in his seven years of racing and never finished out of the money.

**NBC BASEBALL TOURNEY TO BE HELD AT ADA**  
By The Associated Press  
ADA, O., July 22—The state championship tournament of the National Baseball Congress will be held in Ada at Memorial park July 24-Aug. 1, inclusive, organization officials announced today.

Semi-pro teams from 13 Ohio communities will compete. Final game of the tournament will be held at Halloran Park, Lima.

Teams entered in the tournament are from McGuffey, Ney, Reynoldsburg, Castown, Bryan, Lancaster, Cairo, Leesville, Mansfield, Cleveland, Tipp City, Montpelier and Lafayette.

**NAMED HIS COACH**  
By International News Service  
LANCASTER, O., July 22—Appointment of Charles Edwin McPherson of Athens as the new athletic coach at the Lancaster Boys Industrial School was announced today.

**LOUISVILLE NIPS MILWAUKEE, 4-3**  
By The Associated Press  
Milwaukee's Brewers hung in their newly-gained top rung in the American Association standings today by a margin of only three percentage points over the Indianapolis Indians.

Augie Bergamo's two-run single and Ellis (Cotton) Deal's eight hit pitching—his first start in a month because of a sore arm—gave the Louisville Colonels a 4-3 decision over the Brewers last night. Milwaukee pushed Indianapolis out of first place the night before.

Heinz Becker hit Deal for a double and two singles but Deal fanned eight other Brewers.

St. Paul came within a half game of the third place Columbus Red Birds by shutting out Minneapolis 4-0 while Columbus was losing a doubleheader to Kansas City 6-0 and 5-3. Indianapolis and Toledo were not scheduled.

**Demon Hanover Wins \$10,000 Saratoga Trot**  
By The Associated Press  
SARATOGA SPRINGS, N. Y., July 22—Demon Hanover's chance of being the post-time favorite for the \$10,000 Hambletonian was stronger than ever today.

The three-year-old colt last night enhanced his standing among contenders for the Goheen stake Aug. 11, by twice outpacing the classics prospective field in winning the \$10,000 Saratoga trot.

The Demon repeated a performance of a week ago as he covered the final dash in 2:05 4/5, finishing six lengths ahead of W. N. Reynolds judge Moore. Mercy Abbey was third.

Owner Harrison Hoyt of Bethel, Conn., drove the Demon over the elimination heat in 2:08 1/5. Pronto D. N. who won the second elimination in 2:08 flat, never threatened in the final dash.

The Demon, who a week ago won the \$5,000 Adirondack, now has won six straight dashes and eight of 12 starts this year.

# McCarthy's Red Sox Catch Up with New York Yankees

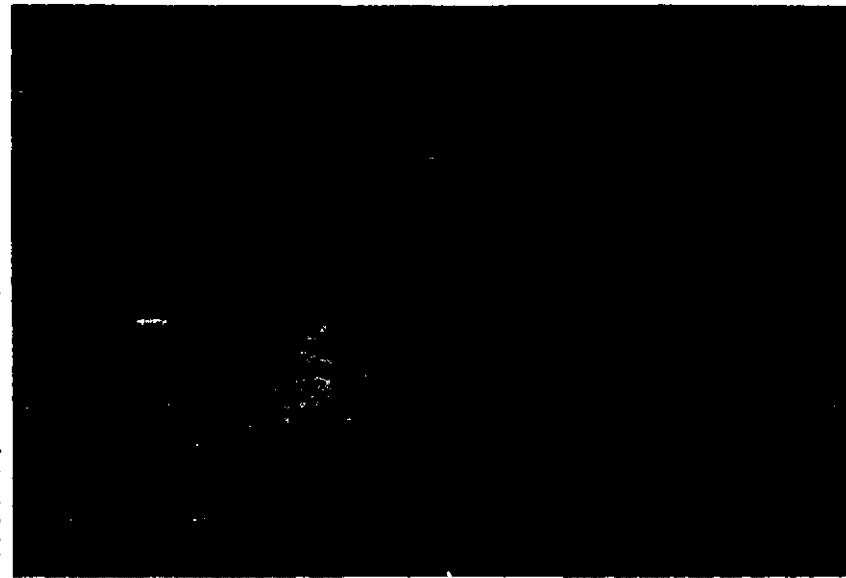

## Boston Tied for 3rd Place with "Team To Beat"

By The Associated Press  
The McCarthy family has caught the New York Yankees club in its Boston Red Sox corner "the team to beat" for the American league flag.  
By winning a day-night doubleheader from today's Chicago White Sox at New York and Cleveland were splitting a pair, the Red Sox are right moved into a position to catch up to the Yankees and move into Pennant.

McCarthy must have been encouraged too by the relief job of Tex Hoggan, the tall Texan who has been out to the team most of the season.

### Hughson Picks Up Win

Hughson came in to pitch the second of last night's game at Chicago, picking up the victory when the Red Sox rallied for three runs in the last of the ninth to take a 10-9 edge. They had won the afternoon half by a 3-1 score for Joe Dobson's 12th success.  
At the Yankee Stadium New York ganged up on the Tribe in the first, a doubleheader for a decision over Bob Munierief. El Lopez scattered six hits for his seventh straight triumph.  
The Yanks had an 8-4 lead go-

ing into the seventh frame of the second game but couldn't hold it. Joe Page was rapped for a relief chore leaving the game with the score tied and two men on base in the eighth.  
Draws took over and walked back after Wally Judnich loaded them up. Then Jim Hegan delivered a grand slam for the ball game 12-8.  
Philadelphia ran into disaster at Shibe Park where the St. Louis Browns pounded out 21 hits to win 17-5. Joe Coleman, Charley Harris and Bob Savage were hit hard while Cliff Fannin coasted home on an 11 hit.  
Washington's Walt Masterson got by with a 12-hitter as the Senators dumped Detroit, 6-1.

### PERWEE NARLED AT THE PLATE

Freddie Hutchinson was shelled from the hull in a three-run fifth inning.  
Brooklyn's surge again featured the National league doings as the Brooks won a pair from Chicago, 9-4 and 7-1, Cupping Boston's lead to six games.  
Ralph Branca had little trouble pitching win No. 12 in the opener. Ralph Hamner was the victim.  
The Brooks were held hitless for 5 1-3 innings by Bob McCall in the second game. They finally broke loose for four runs in the sixth including Gene Herman's homer with two on.  
Warren Spahn pitched steady effective seven-hit ball as the Boston Braves downed Cincinnati's Blackwell, 6-2. Blackwell struck out nine but dished up home run balls to Earl Torgeson and Jeff Heath, more than enough to beat him.  
Brecheen Wins 10th  
Harry Brecheen turned in a brilliant effort for St. Louis, striking out 10 New York Giants in earning his 10th win by an 8-4 score. The Cards exploded for six runs in the seventh to drive Ray Poat from the mound.  
The Phillies shaded Pittsburgh 3-2 in 10 innings despite the first major league homer by Elmer Buddie veteran Pirate pitcher Johnny Blatnik's triple and Eddie Miller's single did the trick, saddling Elmer Singleton with the loss on relief and giving a sixth victory to Schoolboy Rowe, who replaced Walt Dubiel in the eighth.  
At the beginning of the 20th century there were no railroads in all of Arabia.

### BRVES CLUB RED'S BLACKWELL, 6 TO 2

By The Associated Press  
BROOKLYN, July 22 — The Boston Braves were the victims of Ewell Blackwell's no-hit no-run game a little more than a year ago but he was no mystery to them last night.  
The league-leaders clubbed Blackwell and the Cincinnati Reds for a 6-2 victory before a Shriner night crowd of 27,133, dumping the tall right-hander to his seventh defeat as against six wins.  
Warren Spahn was the master of the Reds last night as he scattered seven hits for his eighth win.  
Blackwell fanned nine Braves but two of his pitches were of the home run variety, one to first sacker Earl Torgeson and the other to left fielder Jeff Heath, the latter good for two counters.  
Torgeson belted his homer in the first and the Braves leaped on Blackwell for two more on three singles in the sixth. They got another in the seventh before Heath connected for his round-tripper in the eighth.  
The Reds kicked Spahn for a run on three hits in the sixth and another in the eighth as left fielder Hank Sauer counted Johnny Wyrstek's walk with a double to right field.

## WEDNESDAY'S RACES SCHEDULED TONIGHT

Wednesday night's harness racing card, postponed by afternoon rains, will be run tonight at the fairgrounds and the program originally scheduled for tonight will be cancelled, a track spokesman announced today.  
Walker Diogenes could tie up the drivers race for winners tonight. Jimmy Wingfield who leads the list with nine wins is slated to race but once while Diogenes will take three entries to the post. It will be a tough grid for the 63-year-old Diogenes, however, for the high-flying Wingfield is three up on him.  
Scotty Welch, in second place with seven victories, will not drive tonight.  
Workmen are repairing damage to the track left by rains and the half mile oval should be in good condition by post time at 8:15.  
The eighth contest climax of the night's card, has a strong field of former winners at the Marion meet. Mr. Richmond will be the favorite of the 18 class race for a mile with two victories at the fairgrounds track this season.  
After tonight only two racing nights remain. Saturday night will ring down the curtain on the 1948 harness racing program at Marion.

## HOGAN, MANGRUM TO DUEL AT READING

By The Associated Press  
READING, Pa., July 22.—Bec Hogan and Lloyd Mangrum brought their duel for golf's money winning honors down to the Berkshire Country club's long fairways and well trapped greens today in the first round of the \$15,000 Reading open tournament.  
Nearly 150 other top ranking pros and amateurs also have entered the four-day tourney but Hogan, U.S. Open and PGA titlist, and the long-hitting Mangrum are favored.  
Mangrum went into the tournament setting the pace financially. He has won \$30,421.90, passing the former Texas wife from nearby Hershey, Pa. in last week's Dapper Dan play at Pittsburgh. Hogan's earnings total \$20,197.84.  
In addition to Hogan and Mangrum they include Bobby Locke, Skip Alexander, Jimmy Demaret, Johnny Palmer, Dutch Harrison, Cary Middlecott, Clayton Hearner and Chick Harbert. First prize will be \$15,000.

# Boudreau Announces Indians Will "Definitely" Win Flag

By The United Press  
NEW YORK, July 22 — The Cleveland Indians were on a tremendous hot spot today because Lou Boudreau had broken the most iron bound rule in the managerial book of etiquette by announcing that his team "definitely" was going to win the American league pennant.

Confident almost to the point of cockiness, Boudreau relaxed in the shade of the Indian dugout before yesterday's doubleheader and unequivocally named his club "the best in the league."

The Tribe then proceeded to come apart at the seams and blow the first game to the Yanks before making olive-cheeked Lou look good by winning the second.

"We have hitting, pitching, and a good defense," Boudreau said. "We are in a great spot because we managed to stay up there this far without too much help from Bob Feller. Now I think he's ready to start winning consistently and with the rest of the staff we've got we certainly figure to be up there the rest of the way."

The "rest of the staff" wasn't much more effective yesterday than the losing Feller has been on for this season, almost all of them seeing service as Boudreau had to use eight fingers in the two games.

Small wonder, either, from the support they received. The "best team in the league" committed five errors but that first game was the real dilly.

Boudreau started it off with an error in the second and from there on the rest of the team crowded into the act for a real comedy. Dale Mitchell dropped Tommy Henrich's line drive for another error in the third and then pulled the prize of the day in the fifth. He was on first with one out when Larry Doby belted a long fly to right. Mitchell kept right on going to third.

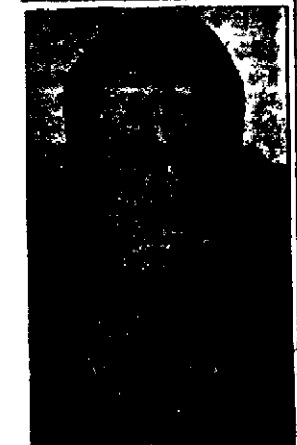

The Yanks were so confused that they almost forgot what to do as Henrich relayed the ball to Scofield. Scofield's Phil Rizzuto called for it—proving at least one guy was in the ball game—and played to first for the double play.

Gordon Eric, Tee

In the seventh, the usually reliable Joe Gordon trapped Joe Dimaggio off first but finally threw the ball away. DIMAG was safe back at first and Larry Doby trotted home. This happened a few minutes after Sam Zoladak, one of the Cleveland pitching procession, took Ed Lopez's tap to the mound and almost threw to second base—although there were no other base runners.

Then, in the eighth, little Phil Rizzuto laid down a bunt and Catcher Joe Tipton and Pitcher Russ Christopher both laid back from it as if the ball was a hand grenade. The scooter scooted safely across first base.

All in all it was quite a hectic afternoon for the Tribe. In the two games the eight pitchers gave up 23 hits and six home runs. It provoked the possibility that

Appear Here Tonight In Tag Team Match

Jack Terry, the big Englishman and Irish McGee again team up together against the combination of Balk Estes and Eddie Williams in what should be one of the best Tag Team Matches seen in a long time at the Marion Armory tonight. Last week Balk showed plenty of speed in defeating Martindale and the fans know that Williams has plenty of speed so it looks like McGee and Terry will have to move around plenty if they expect to win. The main event is ninety minutes or the best two out of three falls. Before the main event there are two thirty minute matches with Irish McGee and Eddie Williams trying to see who is the better and Jack Terry will face Balk Estes in the other. Prelim starts at 8:30. Boudreau might be sued for libel for calling him the "best team" in the league.

As Bucky Harris, the Yankee manager, put it:

"Somebody should wire Boudreau when he leaves Boston and ask him if he has changed his mind."

Why wait? Somebody should ask him tonight. The Indians aren't out of New York with their scalps yet!

# STATE LEGION FINALS BEGIN AUGUST 1

Local Juniors To Represent District in Playoffs.

Marion's American Legion Junior baseball team will trip to Columbus August 1 to represent the Sixth District in the state tournament which is to get underway on Ohio State university diamonds the following morning. W. E. Orr, team manager, reported today.

The Marionites won the right to represent the Sixth District by downing Newark's Juniors in two games at Lincoln park Sunday afternoon for the championship.

A meeting of all team managers and coaches with the state Junior Baseball Commission for the purpose of discussing tournament play, and for making drawings for the first round will be held at 8 p. m. Sunday, on the eve of the opening.

No team will be granted two consecutive byes, and pairings after the first round will be determined by the State Junior Baseball Commission. Manager Orr said. So far as possible, losers will play winners and no team will be asked to play more than two games in any one day.

Home for the players and managers during their stay in Columbus will be the dormitories located in the big horseshoe-shaped stadium at Ohio State university. The state American Legion organization will stand the expense of lodging and meals for sixteen players, coaches and managers, though each must furnish his own bedding.

Coach Nelson "Ninny" Irvin, assistant coach Milton "Smiley" Gorbey and Manager Orr will accompany the team from here, as the Juniors embark for their second trial in the American Legion Junior Baseball playoffs.

As substitutes on the 16 player certificate of entry can be made only in the case of death, Marion will be entitled to one replacement through the death of Billy Nichols who was a victim of drowning July 12. Robert Gregory "Greg" Graham will complete the player roster for Coach Irvin's team.

The Marion team will meet Mt. Vernon at Lincoln park at 3 p. m. Saturday in a regular league game.

**BENTLEY ELIMINATED**

By International News Service

CINCINNATI, July 22.—The Bentley Post Junior American Legion baseball team was eliminated today in the race for the National title it won last year. Bartley Johnson Post, also of Cincinnati, defeated Bentley 4 to 3, in the Ohio regional finals. Previously the teams played a 3-3, 14-inning tie.

**County Treasurers To Meet in Marion**

A joint meeting of the North-eastern and Northwestern associations of county treasurers will be held here July 28, Marion E. Hinklin county treasurer, announced today.

The get-together will be marked by a luncheon at 12:30 p. m. at the Hotel Harding with a short but interesting program, Hinklin said. Golf at the Mar-O-Del course is on the program for both morning and afternoon.

# SHOVEL CO. PAPER TO HONOR SCOUTS

Next Edition To Pay Tribute to Marion Scoutmaster.

In its forthcoming edition for August, the Marion Scoop, employer publication of the Marion Power Shovel Co., will pay special tribute to the work of the Boy Scouts of America and to Wayne McFarland of Marion, an employee of the company, who is scoutmaster of Troop No. 37.

The troop, guided by Mr. McFarland is made up of 16 boys in the Marion community and was represented in the camp season at Camp Owens, July 11 to 17. The organization is sponsored by the Porter-Snyder Post, No. 805, American Legion.

Scoutmaster McFarland, who was sponsored in his work with Troop No. 37 by Marion Power Shovel Co., is an electrician in Dept. 86 at the Shovel plant. He has been active in Scouting work since he was 12 years old and is a Star Scout. He was inducted into the Order of the Arrow by the Scout organization during the camp session.

Scouts who participated in the summer sessions at Camp Owens were instructed in swimming life saving, canoeing, handicraft, bird lore, nature study and forestry and were supervised in training and tests in which many gained ratings as first class riflemen and sharpshooters.

# MICHIGAN MAN INJURED HERE

Dearborn Police Officer Hurt as Car Hits Tree North of Marion.

A Michigan police officer was seriously injured near here yesterday when his car skidded on the slippery pavement of route 23, went off the road and struck a tree. One other motorist was hospitalized, and eight passengers were treated for injuries suffered in three other traffic accidents.

Gay A. Mangas of Detroit, Mich., a Dearborn, Mich. police officer, was rushed to City hospital suffering from severe lacerations of the head and a broken leg following an automobile accident on route 23 about one and one-half miles north of here at 6:15 p. m. yesterday, the state highway patrol reported. His condition today is reported as poor by hospital attendants.

**Car Demolished**

A 1949 model car driven by Mr. Mangas was demolished when it went out of control, left the highway, and struck a tree while going north on the slippery street. Two wreckers and two ambulances were at the scene of the accident, and approximately 400 other vehicles jammed the road. He was taken to the hospital in the Uncapher and Bastian ambulance. His left leg was fractured above the knee.

## Your Good Health

By DR. HERMAN H. HUNTER  
Illustration of the Larynx.

The body is "wired for sound" by means of a complicated and delicate little chamber called the larynx and located at the upper end of the windpipe or trachea. Thus, to singers, actors, and public speakers this little voice-box is likely to assume an importance out of all proportion to its size, and to become the most cherished organ of the body. And there is good reason for the pampering it receives because the voice can be damaged or even lost altogether by any one of a number of things which cause strain or inflammation of the larynx.

More abuse of the voice can cause harmful irritation of the organ which produces it, leading to unwelcome changes in the voice itself. Infections or overindulgence in alcohol also damage this delicate little instrument, thus bringing about hoarseness or giving a rasping quality to the voice. Stage fright, as is well known, often causes complete though temporary loss of the voice.

Acute inflammation of the larynx always calls for complete rest of the throat. If a speaking or singing engagement is impending, it should be canceled while the performer stays at home to treat his throat by cold compresses on the neck and the breathing in of steam.

In less severe cases of inflammation of the larynx, it is suggested that some alkaline spray be used in the nose and that a few drops of ephedrine be applied to the voice-box by means of a syringe.

An actor or a singer occasionally may lose his voice on the day of an important appearance because of fatigue. Treatment in such cases should include rest in bed, cold compresses, and nose drops containing menthol.

Chronic inflammation of the larynx occurs only when the voice is used constantly, as for example, by clergymen, school teachers, vendors, and sport fans.

**Noisy Surroundings**

Talking in noisy surroundings, especially in the outdoors, puts a great strain on the voice. Excessive drinking and smoking also are injurious, alcohol causing a dilation or swelling of the blood vessels in the larynx.

Infected tonsils may be a cause for recurrent inflammation of the larynx or voice-box. In such cases, removal of the tonsils may be advised.

In some cases irritation may be due to the dripping of infected material from the back part of the nose into the throat. Hence, when such irritation occurs, a careful study of the nasal sinuses is advised.

Sometimes little swellings develop on the vocal cords. These are known as singers' nodules, and they are made up of scar tissue. In practically all instances they are caused by straining of the voice. Now and then such nodules have been removed surgically; however, this involves some risk to the perfect clarity of tone required of singers. The best procedure seems to be at least three months' rest of the voice and the avoidance of strain thereafter.

Of course, there are some serious disorders responsible for continued hoarseness, such as tumors, tuberculosis, or syphilis of the larynx. Hence, continued hoarseness calls for thorough study by the physician using a

**PICNIC AT CARDINGTON**

E. L. Boganwright of Cardington was honored with a surprise party in celebration of his sixtieth birthday anniversary which was July 13 when 43 relatives and friends gathered for a picnic dinner Sunday, July 11, at the home of Mr. Boganwright in Cardington, with whom he makes his home. Three large cakes centered the dinner table and the celebrant received a number of cards and gifts. During the afternoon, plans were made to start a Boganwright family reunion as Mr. Boganwright is the last of a family of seven children. The reunion in 1948 will be held the Sunday before Labor Day at Warsaw, Ind. Relatives were present from Warsaw, Mentone and Burket, Ind., Bridgman, Mich., and Dayton, Morral, Upper Sandusky, Cardington, Mariel and Marion, O.

An electric eel can produce more than 1,000 watts at a given moment.

**Delegates Named To DUV Convention**

Mrs. Pauline Irwin and Mrs. Mildred Craig were named delegates to the national convention which opens Sept. 22, in Grand Rapids, Mich., at a meeting of Marion Beecher Stone Tent No. 48, Daughters of Union Veterans, Tuesday afternoon at the YMCA. Other business included plans for summer and early fall activities. Mrs. Alma Anderson presided for the meeting in the absence

of the president. Eighteen calls were reported made on the sick. Officers included Mrs. Rosella Babbs, district president, and Mrs. Martha Jeffers of the Richmond tent.

Plans were completed for a joint picnic with the Richmond tent Thursday, July 22, at the shelter house in the Prospect park and a birthday picnic dinner at noon on Aug. 11 at the home of Mrs. Dorothy Williams of 704 Earl Center street. A meeting of tents in District No. 8 will be held Oct. 7 at Richmond, it was announced.

# MOTHER TO APPEAL BOY'S DEATH DECREE

**By The Associated Press**  
COLUMBUS, O., July 22.—The mother of 18-year-old Donald J. Frohner sentenced to die in Ohio, electric chair Aug. 20, will appeal to Gov. Thomas J. Herbert to spare the boy's life.

Mrs. Lorena Frohner, 45, said last night she will wait the governor's office today to obtain an appointment for an interview. Another son, Theodore, 23, will accompany her.

The Ohio supreme court yesterday upheld the Youngstown High school boy's first degree murder conviction of 18 months ago, and set Aug. 20 as the date for his execution.

Frohner was only 16 when he and a high school chum, Arthur N. Chapman, killed William C. Splith, a salesman. The boys held they wanted Splith's automobile to be used in kidnapping another high school boy.

Frohner and Chapman confessed and a three-judge common pleas court heard testimony to fix the degree of guilt. Frohner declared the instigator and leader in the murder and kidnapping plot.

# was sentenced to death. Chapman was given a life term.

Mrs. Frohner said she would ask the governor to commute the boy's death sentence to life imprisonment.

# Women's Institute Fifty-nine per cent of the men who buy suits are accompanied by women. The only thing men can buy by themselves is a shoe. The survey concluded.

DEADWOOD, S. D.—Since the days of 78 when Wild Bill Hickok gave a spare gold nugget to Calamity Jane the men of this mining town have rewarded their women with gold.

In their "clean-up" paint-up campaign this year the boys of Deadwood Gulch made the lowly kitchen broom the symbol of affection and ordered some solid gold brooms made up to give to their women.

The brooms designed as sizeable lapel pins were given feminine members of the committees which did the best job during the campaign.

# How Chaplain's Work Taken Over by Widow

**By The United Press**  
SHARON, Vt.—The tiny Congregational parish at Sharon has as its minister the widow of the Rev. George Fox, one of four heroic chaplains who gave their lives for others when the U. S. transport Dorchester sank in 1943.

Mrs. Fox, whose husband's heroism is commemorated in a U. S. postage stamp, said she decided to carry on his work when she heard they needed a minister here.

She says the task of ministering to "40 or 50 persons who come on Sunday" and at weddings, church rehearsals and young people's meetings, gives her "tremendous satisfaction."
